D2/43/2020-TC

Decision: Heard the counsel for the applicant and KSRTC and perused the connected records. The Thrissur-Pollachi (interstate route) is not one among the 31 nationalized routes in Kerala mentioned in column 7 of annexure in G.O(P) No.8/17. The column 3 in Sl.No.4 specifically states that further extension for variation shall not be allowed. Hence it is clear from the G.O(P) No.8/17 that, the interstate permit issued to KL 09 AL 5566 is neither saved permit nor a saved one as included in the 31 nationalized routes for which further extension or variation cannot be allowed. The permit holder has filed WP(C)No.15228 of 2018 before the Honourable High Court and the Honourable Court in its judgment dated 08.05.2018 directed to consider the application if the variation sought for does not cover notified route, the variation has to be considered in accordance with section 80(3) of the KMV Act, 1988. Report from RTO, Palakkad reveals that 35 kms (24 kms Thrissur-Vaniampara in Thrissur district and 22 kms from

	<p>maximum distance of 20 km in neighboring districts.</p> <p>b. Electric autorickshaws are not given a specific colour as per the KMV rules. It is decided that the colour of the hood of all electric autorickshaws shall be painted in cream yellow and the rest of the body in blue colour.</p> <p>c. Electric autorickshaws are allotted 3000 permits each in Thiruvananthapuram, Kochi, Kozhikkode cities vide G.O(P) 41/2018/Trans. Although permits are not applicable for electric auto-rickshaws, city numbers can be allotted as per the above order. Therefore, in other corporations and towns where permits are restricted for normal autorickshaws, RTAs are instructed to allocate bonnet numbers to a certain number of electric autorickshaws.</p> <p>2. Tax exemptions is currently provided to contract carriages entering the state with a special permit under Section 88(8) of the Motor Vehicles Act, from states</p>

	<p>that have bilateral agreements with Kerala, particularly from Tamil Nadu. Since permit/special permit is not applicable for electric contract carriages, tax as per Motor Vehicle Taxation Act can be collected when such vehicles enter Kerala.</p> <p>3. Stage carriages operating in the state are granted permits and timings to run services on specific routes and at specific times as per the permit conditions. But permit is not applicable for electric Stage Carriages. Therefore, the service of such vehicles is allowed only on non notified routes allotted by the concerned Regional Transport Authority and time schedule also to be fixed by the RTA through timing conference. While providing routes to electric vehicles, the existing restrictions in notified routes may be made applicable to electric vehicles also.</p>
