ITEM NO: 53

1. Perused the judgment of Hon'ble High Court in WP(C)No. 6708/2025 dated 28.02.2025
2. This is an application for replacement of vehicle **KL 45 A 3360** on the renewal of the regular permit granted by this Authority in the meeting held on 13.08.2024 for the stage carriage **KL 07 AM 1020** on the route **Kodungallur - Maniyankav**.

The stage carriage KL 07 AM 1020 was having regular permit on the route Kodungallur - Maniyankav, valid until 06.08.2022. The permit holder submitted the application for the renewal of regular permit on 01.02.2024. This Authority in its meeting held on 13.08.2024 vide item no:9 granted the renewal of regular permit subject to the following conditions:

1. Production of NOC from the financier, if applicable.
2. Remittance of Motor Vehicle Tax and clearance of any dues, if any.
3. Remittance of the required fees.

The decision of this Authority was communicated to the grantee on 25.10.2024, requiring the production of the current records of the stage carriage KL-07-AM-1020. However, instead of submitting the current records of KL-07-AM-1020, the grantee submitted the documents of another vehicle, KL-45-A-3360, along with a request to endorse the renewal of the regular permit granted by this Authority to that vehicle.

Since the grantee failed to produce the current records of KL-07-AM-1020, a further communication was issued, directing the grantee to produce the same for endorsing the renewal of the permit already granted. As the grantee did not submit the current records within the time stipulated under Rule 172(3) of

the Kerala Motor Vehicles Rules, 1989, the renewal of the regular permit in respect of KL-07-AM-1020, operating on the Kodungallur – Maniyankav route, was not endorsed. Consequently, the grantee is not considered a holder of a valid permit.

As per section 83 of Motor Vehicle Act 1988,

“The holder of a permit may, with the permission of the authority by which the permit was granted, replace any vehicle covered by the permit by any other vehicle of the same nature.”

In the above circumstances, it is evident that the applicant is not a holder of a valid permit. Hence, the application for replacement of the vehicle KL-45-A-3360, on the renewal of the regular permit granted by this Authority on 13.08.2024 in respect of stage carriage KL-07-AM-1020 on the route Kodungallur – Maniyankav, is hereby **Rejected**.

3. This is an application to endorse the renewal of regular permit, granted by the RTA on 13.08.2024, to the stage carriage KL 45 A 3360, which is proposed for replacement with KL 07 AM 1020

As per Rule 172(3)(a) of Kerala Motor Vehicles Rules 1989,

Production of permit. -

“The Transport Authority sanctioning an application for renewal of a permit shall call upon the permit and holder to produce the Registration Certificate of the vehicle and endorse the renewal in the permit and return them to the holder. The Transport Authority may revoke its sanction of the application for renewal if the permit holder fails to produce the documents aforesaid within one month from the date of despatch of the order requiring the production of the records”

Since the grantee failed to produce the current records within the stipulated period of one month or the aggregate period of four months, from the date of despatch of the decision of this Authority as specified under Rule 172(3) of Kerala Motor Vehicles Rule 1989, the decision of this authority dated 13.08.2024, granting the renewal of regular permit in respect of the stage carriage **KL 07 AM 1020** on the route **Kodungallur – Maniyankav** is hereby **Revoked** by invoking the provisions in Rule 172(3) of Kerala Motor Vehicles Rule 1989. Consequently, the application to endorse the renewal of regular permit, granted by this Authority on 13.08.2024, to the stage carriage KL 45 A 3360, which is proposed for replacement with KL 07 AM 1020 is hereby **Rejected**.

3. Remittance of the required fees.

The decision of this Authority was communicated to the grantee on 11.11.2024, requiring the production of the current records of the stage carriage KL 10 X 568. However, instead of submitting the current records of KL 10 X 568, the grantee submitted the documents of another vehicle, KL 46 U 5395, along with the application for replacement of the vehicle and request to endorse the renewal of the regular permit granted by this Authority to that vehicle.

Since the grantee failed to produce the current records of KL 10 X 568, a further communication was issued, directing the grantee to produce the same for endorsing the renewal of the permit already granted. As the grantee did not submit the current records within the time stipulated under Rule 172(3) of the Kerala Motor Vehicles Rules, 1989, the renewal of the regular permit in respect of KL10X568, operating on the route Wadakanchery - Pavaratty, was not endorsed. The Transport Authority may revoke its sanction of the application for renewal if the permit holder fails to produce the documents aforesaid within one month from the date of despatch of the order requiring the production of the records”

Since the grantee failed to produce the current records within the stipulated period of one month or the aggregate period of four months, from the date of despatch of the decision of this Authority as specified under Rule 172(3) of Kerala Motor Vehicles Rule 1989, the decision of this authority dated 13.08.2024, granting the renewal of regular permit in respect of the stage carriage **KL 10 X 568** on the route **Wadakanchery - Pavaratty** is hereby **Revoked** by invoking the provisions in Rule 172(3) of Kerala Motor Vehicles Rule 1989. Consequently, the application to endorse the renewal of regular permit, granted by this Authority on 13.08.2024, to the stage carriage KL 46 U 5395 (under lease agreement), which is proposed for replacement with KL 10 X 568 is hereby **Rejected**.
