Circular No.21/2015

Sub:- Shifting of Enforcement day back to Wednesday-reg  
Ref:- Circular No.11/2015 Dt.30.03.2015

It is noticed that in all officers of the Department, enforcement activities carried out on Saturdays are not upto the mark and a lot of Revenue Recovery Proceedings are pending. This may be due to the fact that compared to Wednesdays, in a month; there are fewer working days on Saturdays.

In the light of the above, to reinforce enforcement activities and to expedite pending revenue recoveries as well as one time settlements, weekly enforcement days are shifted back to Wednesdays of the week from Saturdays. It is however directed that in Wednesdays also all Officers will carryout registration of new vehicles without fail.

This order will come to force with immediate effect.
