CIRCULAR NO. 22 /2013

**Sub: Motor Vehicles Department-Inspecting the new transport vehicle for issuing certificate of fitness at the time of registration inspection-
Direction issuing of-Reg**

Ref: Nil

Attention is invited to the above subject. Many complaints are being received in this office by alleging corruption in conducting CF Test. After the inspection for registration, the new transport vehicles are further produced for CF inspection so as to inspect the registration number and other particulars are properly displayed. But if the Certificate of Fitness is issued with Certificate of Registration in the case of new transport vehicles, the repeated inspection and work load can be eliminated. Besides, by this way corruption can also be avoided. Hence it is hereby directed that inspection of vehicle for registration and Certificate of Fitness for the first time shall be conducted simultaneously and Certificate of Fitness of newly registered transport vehicle shall be issued along with the registration certificate after ensuring that the vehicle complies with the provisions under Motor Vehicles Act and Rules except for the display of registration number. This circular will come into effect on 09-09-2013.
