To

1. Principal Secretaries/ Secretaries, Department of Transport of all States and UTs
2. The Transport Commissioners of all the States/UT Administrations.

Subject: Alterations in Motor Vehicles - reg.

Madam/ Sir,

Your kind attention is drawn to Section 52 of the Motor Vehicle Act, 1988 regarding alteration of motor vehicles. While considering the issue in the matter of *Regional Transport Officer and others etc. Vs. K. Jayachandra and Anr. etc.* in Civil Appeal Nos. 219-222 of 2019, the Hon'ble Supreme Court has maintained vide its order dated 9th January, 2019 that the particulars in the Certificate of Registration cannot be changed except to the extent of entries made in the same as per the specifications originally made by the manufacturer.

2. The issue has been deliberated with various agencies and stakeholders with regard to the provisions of Section 52 and the orders of the Hon'ble Supreme Court and it has been observed that a motor vehicle, modified by incorporating optional components offered by its manufacturer or otherwise modified so that it continues to comply with the manufacturer's specifications, may not require further certification.

3. However, it has been observed that there is need for clarity on the issue as to what kind of alternations are permissible and those which are not permissible so that the enforcement agencies take action accordingly on a uniform basis. In view of the above and after detailed deliberations, it is hereby being prescribed that the modifications that can be carried out by the vehicle owner and would not entail further certification are:

- (a) Replacement of parts or components by the identical parts or components.
- (b) Replacement parts or components with parts or components with equivalent functional performance.
- (c) Optional parts or components as prescribed by the vehicle's manufacturer.
- (d) Following alterations are permissible in the motor vehicles, subject to the conditions mentioned below:

Sr. No.	Changes of parameter	Subject to compliance of the following
1.	Seats	1. Vehicle Weight after the alteration/ changes

No.RT-11036/06/2019-MVL

Government of India

Ministry of Road Transport & Highways

Transport Bhawan, 1, Parliament Street, New Delhi - 110001
