2. LSC is imparting training as per the content vetted by Industry (LMO Manufacturers and transporters), Indian Chemical Council and Gas Industries Association and the Job / Role of commercial vehicle driver carrying LMO has been approved by the National Council of Vocational Education and Training (NCVET).
3. It has been brought to the notice of this Ministry that endorsement in the driving licence to drive a goods carriage vehicle carrying goods of dangerous or hazardous nature to human life is not being carried out by RTOs stating that, as per rule 9 of the Central Motor Vehicles Rules, 1989, the certificate shall be issued by an institute recognised by the State Government.
