**Order No. A3/3/2024-TC Dated. 18-01-2025**

As per the order read as 6<sup>th</sup> paper above, the Hon'ble Kerala Administrative Tribunal had set aside the General Transfer of Assistant Motor vehicles Inspectors for the year 2023 issued as per the Order No. A3/135/2023-TC dated 27.09.2023 with the following observations;

***" This Tribunal takes note of the fact that, G.O (P) No. 3/2017/P&ARD insist upon that general transfers in every department ( non vocational department) should be finalized every year before April 30<sup>th</sup> of the year concerned. Since we have reached almost middle of the***

***month of October in the year 2023, there is no meaning in effecting general transfers of the year 2023, towards the end of the year. It may take at least one month further to issue fresh orders. By the time steps need not be initiated for effecting general transfer of the year 2024. However it is for the respondents to take an appropriate decision as to whether the general transfer of the year 2023 is to be finalized afresh or not; or on the alternative to initiate steps for effecting the general transfer of the year 2024, which can be finalized before 30<sup>th</sup> of April 2024.***

***In case the respondents take a decision to proceed further to finalize the general transfer of the year 2023, fresh steps need to be initiated for completion of the process from the stage at which Annexure A8 draft list of general transfer was published and objections there on were received. Finalization of general transfer in such case shall be done through the online in the SPARK Portal, with necessary modifications if any required to be effected to the software. At any rate, if the respondents opt to go ahead with finalization of general transfer of the year 2023, the entire process shall be completed and final order shall be issued within an outer limit of six weeks from the date of receipt of a copy of this order."***

Accordingly, the applications for General transfer of employees of the Motor Vehicles Department, for the year 2024 were invited as per the circular read 7<sup>th</sup> and 8<sup>th</sup> papers above through SPARK software. The applications were processed in the Head Office after the scrutiny of the same by the DDOs and district level offices concerned. However, due to the non availability of sufficient provisions in the SPARK software for filing and processing of objections in the general transfer, through online, the department was unable to finalize the general transfer of the years 2023 and 2024. There is no meaning in effecting

transfers for the years 2023 and 2024 at this juncture. Hence, it is decided to effect transfers for the year 2025.

Sincere efforts have been initiated from the side of MVD recently to get the SPARK software modified. A meeting was conducted in November 2024. The SPARK Admin team informed their inability to develop a comprehensive transfer system within the SPARK citing technical limitations and sought atleast 2 years time to rewrite the code and test it. However, they have sought time of 2 months to come out with an interim solution wherein the second step of the transfer process, that is the receiving of objections to the draft transfer list, could be implemented. In the month of January 2025, the SPARK team informed that they could develop the software to accept objections from the officer online through SPARK. Meanwhile, it is taken note that the AMVIs have been languishing in their present posts for over 5 years which is leading to low morale and inefficiency in the ranks.

Hence, a decision is hereby taken in the true spirit of the direction issued by Hon'ble Tribunal to proceed with the General Transfer of AMVIs for the year 2025 by using a partially improvised online SPARK software. The draft transfer list has been generated online through the SPARK Portal's transfer module which is modeled to suit the general transfer guidelines issued by the Government. The new draft list along with the cadre wise ranked list so generated through the SPARK Portal in the cadre of Assistant Motor Vehicles Inspectors is appended and published herewith for scrutiny by all concerned.

Though the draft list has been generated online through SPARK portal, some errors have crept in this draft. Shri. Aravind P V, who applied for General Transfer, died in harness on 25.09.2024 is erroneously included at SL No. 325 in the draft list; it will be rectified during the finalization. Further certain officers who have completed 2 years in the present station and 5 years in the present district, but were noticed as not included in the draft will be transferred while finalizing the list. Similarly those officers who have been transferred on completion of more

than 5 years in a particular district and those who have not completed two years in the present station are transferred back to the districts from which they were transferred, will not be considered for transfer, while finalizing the list. Finally the Officers who got promotion after generating draft is also seen included in the list, will be excluded while the finalization. These anomalies will be made good while finalizing the draft order. Any other errors/ omissions may be brought to the notice of the undersigned with relevant particulars in time.

**All officers in the cadre of Assistant Motor Vehicles Inspectors are directed to go through the draft list and raise objections, if any. The officers can submit their objections if any against the said draft list/ errors noted within the time limit scheduled below only through the Online Transfer Module of Spark Software, which has been newly introduced in partial compliance to the Hon. KAT order :**

Incomplete and flimsy objections are liable to be rejected summarily.** The officers are also directed to verify their service history in SPARK through their establishments concerned and ensure that there is no discrepancy, since any discrepancy in the service history could vitiate the

whole process. In case where any such discrepancies are found, the same shall be promptly brought to notice by way of filing objection. All heads of offices are directed to instruct all the officers in the said cadre to go through the list published online in the department website.
