13/10/2021 have observed that *the seniority is the basic criterion for granting ratio promotions. The embargo on promotions to selection posts owing to the pendency of departmental action for major penalties, criminal case, vigilance case etc. are not applicable in the case of such promotions. The incumbent was promoted as Junior Superintendent and probation has been declared in that category during the pendency of said vigilance case itself. Since assessment of merit or suitability is not done while effecting ratio promotions, pendency of a vigilance case where final report not been submitted, need not stand in the way of granting ratio promotion to the incumbent.*
